YOUR FESTIVAL HOST: WHAT ELSE HAPPENS AT THE GRAND MARAIS ART COLONY?

The Art Colony is a catalyst for the arts, artists, and arts learners in the Great Lakes region, Great Lakes region, providing classes, residencies, exhibitions, and artist-driven signature events. We have made our home in Grand Marais since 1947 and are pleased to be celebrating 75 years in 2022.

CLASSES

Our classes provide immersive experiences for beginners to established artists. Classes primarily run from May - September in 2-D arts, printmaking, ceramics, sculpture, and literary arts. Check our website to see upcoming classes and sign up.

Visit grandmaraisartcolony.org

ENTRY POINTS

We all need a starting point, whether launching a canoe into the Boundary Waters or picking up a paint brush for the first time. Our Entry Points program provides opportunities for people of various ages and skill levels to attend artist talks, demonstrations, and mini-classes.

See the following pages for upcoming events.

RESIDENCIES

We provide artists with independent work space and time to develop new works by allowing for aesthetic inquiry and experimentation while also planning a variety of community engagement activities with residents. The primary residency season is October - April, although other select dates may be available. 2023 residency applications open Fall of 2022.

HOURS OF OPERATION

Through the 2022 season our 120 3rd Ave West location is open ONLY to students and artists-in-residence from Monday - Friday.

Please visit Studio 21, 21 West Highway 61 (opposite Buck's Hardware), from Thursday to Saturday from 10 am - 4 pm to view our summer exhibition or participate in our Entry Point activities.
