

Class: Line and Volume: Sculpting Family Camp

Instructor: Danny and Kari Halker-Saathoff

Students are asked to bring the following supplies

- Clothes suitable for working with art supplies
- Close-toed shoes

Your supply fee will cover the following supplies

- ¼-inch and ⅜-inch flat basket reed
- ⅛-inch round basket reed
- Tissue paper
- White glue
- Hot glue

Student Learning Outcomes

- Students will learn about positive and negative space as it applies to both 2-dimensional and 3-dimensional artwork.
- Students will learn to think dimensionally, and design based upon the inherent qualities of the materials. Trial and error will guide our success.
- Students will share each other's success with a gallery style installation celebration at the end of the class.
